

Board Meeting:

19 November 2020

Subject:

Governance Schedule for Re-Start and New Services

Recommendation:

Members are asked to:

Discuss and Note	✓
Discuss and Approve	
Note for Information only	

1 Background

During the pandemic response and recovery phases, a new agile governance process has been implemented to ensure proposals to commence new services or restart core services are robustly reviewed and approved appropriately.

The attached paper details the process in place and schedule of services started/resumed.

2 Conclusion

Members are asked to note this update.
