Dear Jann

NHS GOLDEN JUBILEE REMOBILISATION PLAN 4

We are grateful for the response to our comments on your Remobilisation Plan 4 (RMP4) that Carole Anderson provided on 19 November.

As you will be aware, Lyndsay Turner in her capacity as Scottish Government NHS Golden Jubilee Sponsorship Manager, has confirmed to Carole that we are satisfied with your responses and as such I can confirm that we are now content that your RMP4 can be finalised.

Thank you for your efforts in getting your RMP4 developed and in place, and I look forward to seeing progress against this during the remainder of 2021/22.

Your sincerely

TRACY SLATER

Interim Deputy Director for Health Performance and Delivery
