Dear Jann

Golden Jubilee National Hospital – Phase 2 Elective Expansion – Full Business Case

The above Full Business Case was considered by the Health Directorates' Capital Investment Group (CIG) at its meeting on 21 July 2020 and CIG has recommended approval. Subsequent to that meeting, NHS Scotland Assure undertook a Design Assurance Review and they are satisfied with the progress of the project and they are also recommending approval. Based on these two key governance reviews, I am pleased to inform you that I have accepted that recommendation and now invite you to proceed to financial close.

A public version of the document should be sent to the CIG mailbox (NHSCIG@gov.scot) within one month of receiving this approval letter. It is a compulsory requirement within the Scottish Capital Investment Manual, **for schemes in excess of £5 million**, that NHS Boards set up a section of their website dedicated specifically to such projects. The approved Business Cases / contracts should be placed there, together with as much relevant documentation and information as appropriate. Further information can be found at <http://www.pcpd.scot.nhs.uk/Capital/scimpilot.htm>

I would ask that if any publicity is planned regarding the approval of the business case that you liaise with SG Communications colleagues regarding handling.

Yours sincerely

Caroline Lamb
