

**Golden Jubilee
National Hospital**

Patients at the heart of progress

Getting to the Golden Jubilee National Hospital

The Golden Jubilee National Hospital is centrally located in Clydebank, within easy reach of Glasgow city centre and Glasgow International Airport.

Dalmuir train station is just a 20 minute walk away and numerous buses stop along Dumbarton Road, a 10 minute walk from the hospital.

For car users, the hospital has free parking for 655 regular bays, 2 Electric Vehicle (EV) bays, 40 disabled bays and 10 motorcycle bays. Additional free spaces are also available at the Golden Jubilee Conference Hotel which has 288 regular bays, 4 EV bays and 22 disabled bays.

The information contained in this leaflet was correct at the time of going to print. However, as bus and train timetables change, please visit our website, <http://www.nhsgoldenjubilee.co.uk/patients-and-visitors/travelling-hospital/journey-planner/> and use the Traveline search engine for up to the minute information or contact Traveline directly using the details below.

Public transport

Bus routes

The nearest bus stop is on Dumbarton Road, which is also just a few minutes walk from the hospital. Regular services run towards Glasgow, Dumbarton, Balloch and Helensburgh.

Please use the Traveline website or phone number to plan your journey.

By rail

The Golden Jubilee National Hospital is situated approximately 20 minutes walk from Dalmuir train station (see location map).

Frequent services run direct to Dalmuir from:

- Helensburgh and Balloch;
- Glasgow Central and Glasgow Queen Street;
- Edinburgh Waverley, Airdrie and Springburn; and
- Larkhall, Lanark and Motherwell.

By plane

Glasgow International Airport is situated at Junction 28a, M8 to the west of Glasgow. The Golden Jubilee National Hospital is an approximate 15 minute drive from the airport.

By car

To help you find us easier, our address is now:

Golden Jubilee National Hospital, Agamemnon Street, Clydebank.

Set your satellite navigation system to postcode G81 4DY.

From North and North East

- Coming down from Dundee/Perth/Stirling on the M80.
- Follow signs for Glasgow.
- Merge onto M8.
- Leave the M8 at junction 19, Clydebank/SECC A814.
- Follow the A814 (Dumbarton Road) to Clydebank for approximately 15-20 minutes.
- Turn left into Agamemnon Street.
- At the mini roundabout, turn right into hospital.

From South

- From the A74 take the M74 then the M8 Westbound (Glasgow Airport and Greenock).
- Leave the M8 at Junction 30 go over the Erskine Bridge (M898).
- Follow the signs for Glasgow (right hand lane), do not join the A82 but remain in the left hand lane which runs alongside the A82, heading for Clydebank A814. Remain on the slip road that crosses over the A82, continue for approximately half a mile.
- At the bottom of the road, turn left at the traffic lights onto Dumbarton Road.
- Continue along Dumbarton Road for approximately half a mile (passing through major set of traffic lights).
- At next set of lights, turn right into Agamemnon Street.
- At the mini roundabout, turn right into the hospital.

From East

- Coming from Edinburgh follow the M8 to Glasgow.
- Leave the M8 at Junction 19, Clydebank/SECC A814.
- Follow the A814/Dumbarton Road to Clydebank for approximately 15-20 minutes.
- Turn left into Agamemnon Street.
- At the mini roundabout turn right into the hospital.

From Ayrshire

- Coming from Ayr/Stranraer/Kilmarnock on the M77.
- Take the M77 all the way onto the M8.
- As you enter the M8 move over to the left, as you want to take the first exit (Kinning Park).
- When you exit stay in the right hand lane and come under the motorway and back up onto the M8 Westbound (Glasgow Airport and Greenock).
- Follow the M8 motorway until Junction 30, where you will exit and go over the (M898) Erskine Bridge.
- Follow the signs for Glasgow (right hand lane), do not join the A82 but remain in the left hand lane which runs alongside the A82, heading for Clydebank A814. Remain on the slip road that crosses over the A82, continue for approximately half a mile.
- At the bottom of the road turn left on to Dumbarton Road.
- Continue along Dumbarton Road for approximately half a mile (passing through a major set of traffic lights).
- At next set of traffic lights turn right into Agamemnon Street.
- At the mini roundabout, turn right into the hospital.

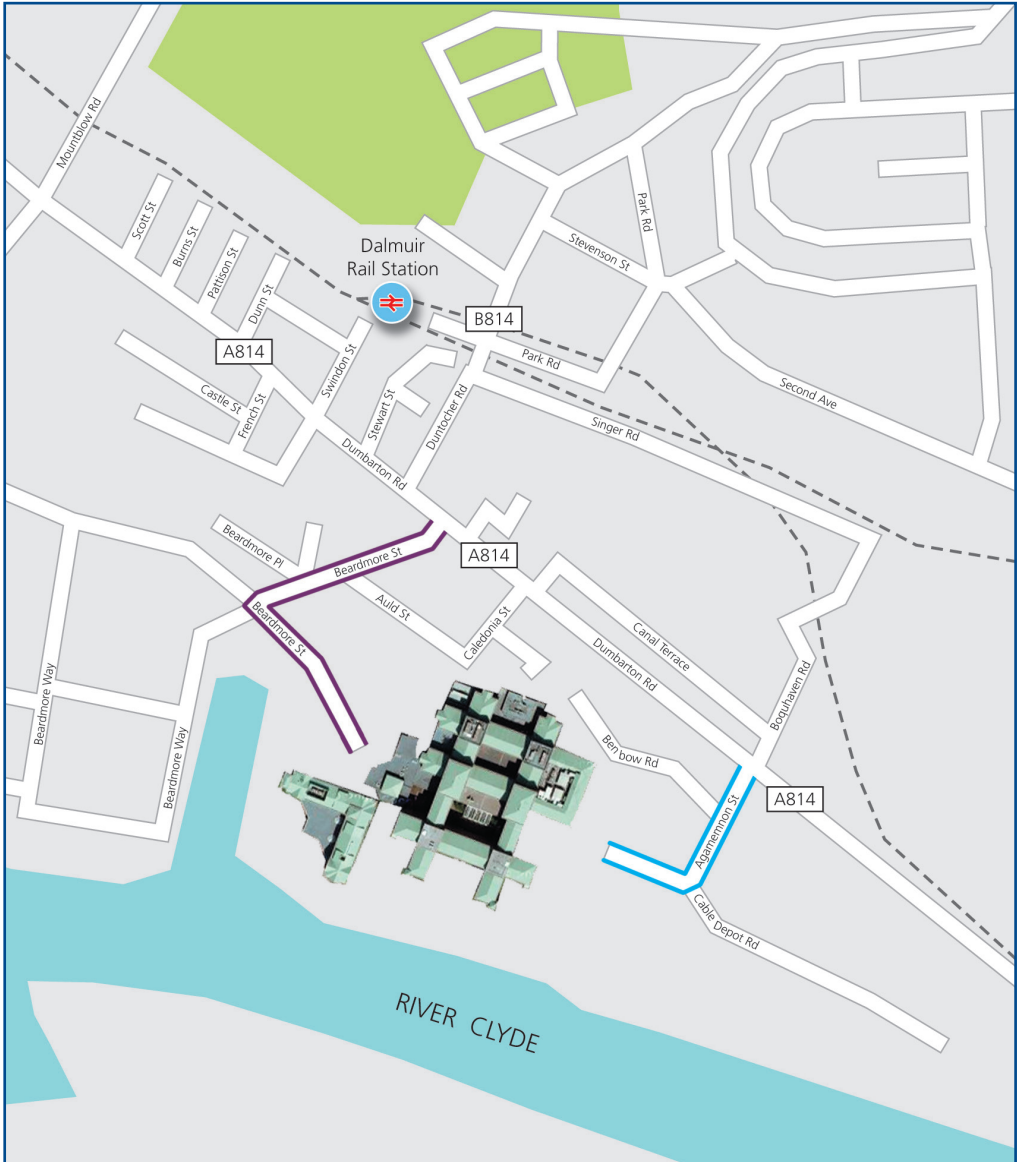

From Renfrewshire / Inverclyde

- Exit M8 at Junction 30 and go over the Erskine Bridge (M898).
- Follow the signs for Glasgow (right hand lane), do not join the A82 but remain in the left hand lane which runs alongside the A82, heading for Clydebank A814. Remain on the slip road that crosses over the A82, continue for approximately half a mile.
- At the bottom of the road turn left onto Dumbarton Road.
- Continue along Dumbarton Road for approximately half a mile (passing through major set of traffic lights).
- At the next set of traffic lights turn right into Agamemnon Street.
- At the mini roundabout, turn right into the hospital.

From North-West

- Head towards Glasgow via A82 through Dumbarton.
- At Dungleigh Roundabout take the second exit – A814 Bowling and Old Kilpatrick.
- Continue east until small roundabout, take the second exit to Clydebank (dual carriageway).
- Continue straight along Dumbarton Road (through two sets of traffic lights) for approximately one mile.
- Turn right into Agamemnon Street.
- At the mini roundabout turn right into the hospital.

Location Map

Agamemnon Street should be used for ambulance and main vehicle entrance to the Golden Jubilee National Hospital.

Beardmore Street should be used for main vehicle entrance to the Golden Jubilee Conference Hotel and pedestrian access to the Golden Jubilee Conference Hotel and the Golden Jubilee National Hospital.
